

Continuing the Jimenez-Haid Tradition

Over 25 Years of Lifestyle Home Expertise

Brian and Dee Jimenez started their custom home building career over 25 years ago building ranch style homes in the Loveland area. During this time, partner David Haid, was establishing his own home building and developing business which included the development of the highly regarded River's Bend – TPC golf community in Mason. Today, their partnership along with builder/developer Tim Haid, presents Liberty Grand as a premier carefree lifestyle community in Liberty Township. With all of this combined experience, Brian, David and Tim, two time recipients of the Central Ohio Builder of the Year Award along with our Liberty-Grand sales team, offer personalized touches to our Liberty-Grand homeowners. Jimenez-Haid continues to build custom homes at Tartan Fields and other communities in Columbus and are currently building courtyard condominiums at Walker Villas in the Marysville, Ohio area.
